

Important Notice

Washington Financial Bank is participating in the FDIC's Transaction Account Guarantee Program. Under that program, through December 31, 2010, all non-interest bearing transaction accounts are fully guaranteed by the FDIC for the entire amount in the account. Coverage under the Transaction Account Guarantee Program is in addition and separate from the coverage available under the FDIC's general deposit insurance rules.

The Program defines a non-interest bearing transaction account as any transaction account that pays an interest rate of .25% or less and all IOLTA accounts.
