## PRESS RELEASE

### Washington Federal Expands into Wealth Management

Washington Federal Savings Bank named Rob Vettorel as Vice President of Wealth Management. Vettorel will head the Bank's new Wealth Management Division with the primary office located at the 77 South Main Street branch in Washington.

"Wealth Management is a natural extension of our commitment to providing our customers with a complete array of financial options," said Brian Smith, CEO and President of Washington Federal Savings Bank.

Prior to his position at Washington Federal Savings Bank, Vettorel worked in Washington County for approximately 12 years. He continues to have an office in Southpointe— Vettorel Asset Management. Although he is expanding with Washington Federal, there will be no changes to his clients' accounts as both locations are branches of Walnut Street Securities.

Vettorel earned his B.A. in Business Administration at Mount Union College. Finance marked Vettorel's primary academic emphasis; however, he also earned a minor in Sociology and Philosophy.

"Hiring Vettorel was a natural choice for the Bank," said Smith. "His customer first philosophy and entrepreneurial accomplishments are excellent overlays on our Bank's evolving sales and service culture."
