## **PRESS RELEASE**

### **Washington Financial hires new Branch Manager**

WASHINGTON, PA- Nan Campbell joined Washington Financial Bank as an Assistant Vice President and Branch Manager for the Bank's McMurray 19 office.

Mrs. Campbell is a graduate of the University of Pittsburgh. Prior to coming to Washington Financial, Mrs. Campbell worked as the Branch Sales and Service Manager for First Federal Savings Bank and as a Branch Manager for PNC.

Mrs. Campbell has 14 years of experience in the banking industry. Nan believes that your banker is just as important as your doctor. "While your doctor looks after your physical and mental wellbeing, we look after your financial wellbeing," she said. "I am proud to be part of a team that truly puts your needs first rather than a sales quota."

Currently, Mrs. Campbell resides in Peters Township with her husband and two children. In the community, she is the Treasurer for the McMurray Elementary PTA and participates in a number of non-profit clay shoots.

With over 110 years of history, Washington Financial is the only locally owned and managed financial institution headquartered in Washington County. The Bank's steady track record of financial stability, cutting-edge technology and approach to relationship banking, makes it an ideal institution to meet the financial needs of business and retail customers. It's banking that's in your best interest.
